

# Town of Lake Placid

I \_\_\_\_\_, hereby agree to not furnish the key security code, I am receiving to enter the following described town structure, to no one.

I agree that I will not furnish the entry rights to anyone, even if I know that the person to be given the key or code, has been approved. I agree to not duplicate keys that I receive from the town. I also agree that I and only I will use the keys or code furnished.

The key or code shall only be given by Town of Lake Placid Personnel. In no case shall a person not employed by the town pass on a key or security code.

I agree that I will not at any time open the described facility for anyone unless I am present and in the facility at all times with the person I am working with.

I agree that should I in anyway violate this agreement the town may terminate my right of access to the described structure without notice. I also agree that in any case where damages, injuries or thefts occur as a result of my having violated this agreement that the town intends to name me personally in any lawsuits and intends to seek reimbursement for any damages to town owned equipment.

I hereby agree to render any keys back to the town staff and to report to town staff my leave of responsibility for recreation, if at any time I no longer have recreational responsibilities that require my accessing the facility. I realize that my responsibility for damages as a result of my furnishing keys or codes to other persons, if provable in a court of law, may render a town opinion that I have continued responsibility for same even though I am no longer responsible for Town of Lake Placid recreational activities.

Description of property (specific doors):
