

WORLD Risk Management

A BALLATOR COMPANY

What is a TULIP Program?

World Risk Management on behalf of Public Risk Management of Florida has made available General Liability Insurance for your convenience thru One Beacon Insurance. The TULIP (Tenant Users Liability Insurance Policy) Program provides low cost General Liability insurance to “third party” users (People that want to use your facilities) of various venues and facilities. It is used by institutions that permit “third parties” to use their facilities for specific events. It protects both the facility user and the facility itself against claims by “third parties” who may be injured as a result of attending the event.

Events may range from very low risk activities, such as seminars, receptions or weddings, to higher risk events including camps, sports events and concerts. The premium is based upon the risk associated with the event or activity, the number of days needed, the number of attendees and if there are any special requirements, including alcohol liability, **(For Any Sales of alcohol including Cash Bar & Raffle Tickets for drinks)** food service, etc.

Here is how it works: Provide the website and venue # to Tenant User

Instructions

Go to www.onebeaconentertainment.com

1. Under TULIP – Event Insurance click on PURCHASE OR QUOTE
2. For the vendor ID code, enter **4574-057**
3. Click on Next
4. Under Enter Your Event Details select your type of event from the drop down menu and answer the Yes or No questions
5. Select the date of your event
6. Select Yes or No regarding Liquor Liability coverage
7. Input the average daily attendance and answer the 4 questions, if necessary
8. Select GET QUOTE
9. If the third party decides to purchase coverage through the facility’s program, they simply enter their credit card information and coverage is bound, including forwarding a Certificate of Insurance to the facility, the third party and the agent or broker.

Once the above is purchased, you will immediately be provided a Certificate of Insurance which verifies coverage has been obtained and should be retained for your files. A copy of this Certificate will be provided to your event manager directly from One Beacon Insurance Company.

If your event is not shown in Hazard Class 1, 2 or 3 more than likely it would be **excluded** on this policy and, therefore, would not be covered at your event by this policy. Should your event include one of these excluded items (i.e. Bounce House, Fireworks, Pyrotechnics, etc.) additional insurance is required either by you, the Event Holder, or the company supplying these items.

If you need further assistance please call **1-800-507-8414**.
